Introduction

- Construction Programs Bureau (CPB)
- Customer service is important to us
- Projects have significant impact on environment, economy, quality of life
- 729 active projects totaling \$234 million

What do we do?

Provide:

- ❖ Financial services
- ❖ Technical services
- ❖ Community Services

CPB Programs relating to solid waste projects?

- Rural Infrastructure Revolving Loan Program (RIP)
- Special Appropriations Program (SAP)
- Clean Water State Revolving Loan Fund (CWSRF)

Rural Infrastructure Revolving Loan Program (RIP)

City of Gallup air blower

RIP Loan Program details:

- State funded program: quick funding window
- Available for construction or modification of water supply, solid waste and wastewater facilities.
- Low cost loans for municipalities that serve populations of less than 20,000 AND Counties with populations less than 200,000

RIP loan program details:

- Maximum loan amount is \$2,000,000 per year
- Interest rate is 3%
- Repayment period of up to 20 years

Requirements of the loan

Two important considerations:

- 20.7.2.202 (2) financial capability of the local authority to repay the loan.
- 20.7.2.202 (3) readiness to proceed with the project

How do I apply? The Uniform Funding Application (UFA) !!!

- http://ufa.nmenv.state.nm.us/APPLICATION_open.php
- Also contact Janet Hugi or Alysia Leavitt
