

**New Mexico Rural Water Association & Bohannon-Huston, Inc.
are looking for**

THE BEST TASTING TAP WATER IN NEW MEXICO

The New Mexico Rural Water Association is looking for the best drinking water from a Public Water System in the State to represent New Mexico's rural water systems in a nationwide competition.

It all starts in Albuquerque on **March 17, 2008**, during the **NMRWA 30th Annual Conference** at the Hotel Albuquerque at Old Town. A panel of three judges will conduct a preliminary taste test on coded water samples to select the top five entries. The final "taste off" will take place in the atrium area during the social hour on Wednesday evening and the winner will be announced at the Annual Banquet.

The Grand Prize Winner will receive \$1,500 towards airfare and hotel accommodations, **courtesy of Bohannon-Huston, Inc.**, to travel to Washington, DC to participate in the National Rural Water Association's **Great American Water Taste Test**. During the Rural Water Rally, they will meet with New Mexico's Congressional Delegation and have an opportunity to tour our nation's beautiful capitol city.

Like fine wine, your water will be judged on taste, bouquet and clarity.

The rules are simple and entry is free....

- Bring "chilled" tap water in a non-returnable quart glass container to the conference registration area by 12 noon on Monday, March 17
- Label the bottom of the container with your system name
- Systems with populations over 25,000 are not eligible
- Systems must be in good standing with the NM Drinking Water Bureau, having no current bacteriological or chemical monitoring violations

**For more information and to PRE-REGISTER, contact Susan Maupin,
NMRWA, at (505) 884-1031 or email susan@nmrwa.org**
