Check One

Voting members are water and sanitation districts, non-profit corporations (cooperatives, mutual domestics), or rural municipalities with populations of less than 50,000 engaged in the distribution of water or treatment of sewage for rural residents.

Non-voting members are private, for-profit utilities or utilities that fit the description above but serve more than 50,000 customers.

Any person adhering to the purposes of the Association and desiring to assist in the work of the Association may become an individual non-voting member.

Membership runs from January 1 through December 31

I have read the Bylaws of the New Mexico Rural Water Association and agree to abide by the rules and regulations of the Association. I understand that our membership certificate shall be surrendered to the Board of Directors of the NMRWA, when and if due cause for such action is taken by the Board. A written request from our system to the NMRWA Board to withdraw the certificate will be considered due cause.
